Take A Guided Walk This Spring!

The spring weather should be perfect for a walk along the edge of the Southeast Greenway. You may be surprised that this land hosts three creeks, many oak and walnut trees, and wide swaths of open space that provide great views of Taylor and Bennett Mountains. Learn more about the property's potential uses based on the City's preferred alternative plan.

Wednesday, May 31st | 5:15 - 7:15 pm

**Meet walk leaders in the parking lot near the tennis courts at
Montgomery High School.**

This walk is about 2.5 miles round trip on city streets and sidewalks, with stops to view important features. Terrain is mostly flat but includes one fairly steep hill. Remember to bring hats, water, snacks, and a light jacket as it may cool off quickly in the evening.

Please register by emailing us at info@SoutheastGreenway.org or calling us at (707) 703-1922. Please include your name, email address and the best phone number to reach you at. Heavy rain cancels.

The City of Santa Rosa Would Like Your Input

The City of Santa Rosa is accepting input regarding the potential environmental impacts that should be addressed in the Draft Environmental Impact Report for the Greenway. The City is looking for citizen input in the following areas:

- Aesthetics
- Agriculture
- Air Quality
- Hazardous Materials
- Water Quantity and Quality
- Wildlife Habitat
- Noise
- Housing
- Traffic and Parking
- Public Services and Utilities

**Please submit written comments no later than
5:00 p.m. on Tuesday, May 23, 2017.**

Please send your written comments to Erin Morris, City of Santa Rosa, Planning & Economic Development Department, 100 Santa Rosa Avenue, Room 3, Santa Rosa, CA 95404 or email to emorris@srcity.org with "Southeast Greenway EIR" as the subject.

Sonoma Land Trust, a 501(c)3 public charity, is the fiscal sponsor of the Southeast Greenway Campaign. Contributions to the Southeast Greenway Campaign are fully tax-deductible to the extent allowed by law.
