## Last Chance to Weigh in on Greenway Land Uses - Community Survey Available October 10-26

If you missed the second Greenway planning workshop on October 8th, you still have time to join in the land use visioning for the Southeast Greenway. The City's planning consulting firm, PlaceWorks, has used input collected from the community and the project's Technical Advisory Group to draft a set of Guiding Principles for the Greenway and 3 Alternative Land Use Plans for the property.

They have created a [Community Input Survey](#) with illustrative maps showing the overall concept and land uses for each of the 3 Alternative Plans. After reviewing the overall concepts, you will be able to "zoom in", review the land use concepts, and provide feedback using three detailed segment maps of the property.

***This survey is really important because it will be the basis for recommendations to the City Council and Planning Commission when they meet in November.***

You can take the survey in person on **Saturday, October 15th** at Lucky's Market at Montgomery Village from 10:00 am – Noon, and from 12:15 – 2:00 pm at Whole Foods Market on Yulupa. You can complete the survey online or download a print copy of the survey at [www.planthegreenway.com](http://www.planthegreenway.com). Print surveys can be dropped off at City Hall, Room 10 (open 8 am – 5 pm), Monday through Friday. Or you can mail your survey to City Hall, Room 3, 100 Santa Rosa Ave., Santa Rosa, CA 95404.

***Please complete and return the survey by October 26, 2016.***

Send this to your friends and neighbors too. The more people supporting the Greenway through surveys, the better!

### Take a Guided Greenway Walk this Fall!

**When:** Wednesday, October 26th, 5:15-7:00 pm

**Where:** Meet at Yulupa Cohousing, 1346 Yulupa Ave, Santa Rosa

The autumn weather should be perfect for a walk along the edge of the Southeast Greenway! You may be surprised that this land hosts three creeks, many oak and walnut trees, and wide swaths of open space that provide great views of Bennett Peak and Taylor Mountain. Learn more about the property's potential for restoration, recreation and a variety of land uses.

### Important Details

Meet walk leaders at Yulupa Cohousing. We'll gather in the courtyard, entering through the front door. Street parking is available.

This walk is about 2 miles round trip on city streets and sidewalks.

Terrain is mostly flat but includes one fairly steep hill. Remember to bring your hat, water, snacks, and a warm jacket as it cools off quickly in the evening.
