## Dear Greenway Supporter,

We have wept and we still mourn. The heart of our community has been broken, but not the soul. Stories abound of rescue, cooperation, and generosity. As we recover from the shock of the devastation that surrounds us, we ask ourselves, "What can we do?" Each of us responds to that question in a different manner, understanding that we are all healing at our own pace and in our own way and there is much to be done.

The Southeast Greenway Campaign extends our sincere condolences and best wishes to our supporters, and their friends, relatives, and neighbors, and all who have been touched in some way by this tragic event. Please feel welcome to share with us via email about how you are doing in its aftermath.

We are so grateful that the Greenway property remains intact and unburned, and we give thanks to the many firefighters and first responders who made that possible. We also honor and support our Partners - the City of Santa Rosa, Sonoma County Regional Parks, Sonoma County Water Agency, LandPaths, and Sonoma Land Trust - for their efforts despite human and financial losses.

The Campaign wishes you continued faith, solace, and determination as we move forward to restore homes, businesses, public spaces, and wildlands. We believe the Southeast Greenway will someday be a positive symbol of the recovery and regeneration of this wonderful community that is our home.

Sincerely,

Thea Hensel and Bob Gaiser
